Alexian Brothers Parish Services carries out the healing mission of the Catholic Church as an Alexian Brothers ministry by identifying and developing effective responses to the health needs of those we are called to serve.

Companions Through Grief

This twice-monthly group will provide ongoing support and guidance as participants continue their grief process. It is ideal for those who have recently attended a grief group such as "Journey Through Grief."

Each session will provide both the support of other people and ongoing guidance through the life-altering journey provided by loss. A licensed professional will facilitate each group.
